Property Description

HYTHE MARINA Built in 1985, Hythe Marina was a pioneer amongst the marina developments along England's South Coast. Based on a French design, it is a unique development of a 206 berth marina, together with waterside homes, bar, restaurant and boutique hotel.

The Marina has a thriving community, with local events and clubs for you to join. Buying a marina home means you are not just buying a home, or a location, but most uniquely a lifestyle, with all that Hythe Marina has to offer. The Marina is a short walk from the delightful market town of Hythe with all local amenities close by, Waitrose, LIDL, Costa Coffee, restaurants, cafes and its weekly market.

The New Forest and local beaches at Lepe and Calshot are only a short drive away. There are good transport links with the M27, rail, (Southampton Central to London Waterloo) and Southampton Airport all easily accessible. Hythe Ferry, accessible from the historic pier, gives alternative travel to Southampton for further shopping.

ENTRANCE HALL As you enter the property through a double glazed iceberg glass UVPC door, with double glazed iceberg glass windows at either side, you are greeted by a large entrance hall wood effect ceramic flooring.

Centre stage is the brand new solid oak staircase and banister leading to a galleried landing on the first floor.
