Station Road, Buxted, TN22 4DP

Located in the heart of Buxted village where there is a large collection of areas to walk including around the nearby Buxted Park Hotel, you find this fabulous, detached property tucked within a small lane of just a handful of properties. Having been modernised by the current owners this property now offers a wonderful family home that is beautifully presented to a high standard. First thing to note as you step into this property is a sense of bright and spacious rooms with large windows and initially greeted by a large entrance hall. To one side is a generous lounge with impressive bi-fold doors straight out to the garden, and a set of double doors opening to a family room/study to front. On the other side of the hallway you'll be further spoilt by the stunning kitchen with a huge number of kitchen units, breakfast bar, and high quality Quartz worktops. From here an opening leads to you into a double aspect dining room. There's even a shower room with w/c located at the rear of the entrance hall. On the first floor a very spacious and bright landing welcomes you to three well-proportioned double bedrooms. The main bedroom boasts a walk-in wardrobe and an exceptional en-suite, and there is a further just as exceptional family bathroom serving the rest. The property benefits from both front and rear level lawned garden, and off-road parking that leads to an attached single garage. There is so much to like here including being walking distance of two very popular village pubs along with a mainline train station with links to London and must be viewed to fully appreciate all that's on offer.
