This purpose built first floor flat is a great opportunity to purchase as an investment or for those looking to step onto the property ladder. The accommodation is well proportioned and comprises a long hallway that leads to each of the living spaces. There are 2 bedrooms here, one on each side of the hall, a family bathroom, double aspect kitchen with wall and base units, and to rear is a generous lounge. The property benefits from two built in storage cupboards, one within the flat off the entrance hall, and the other being located just outside the flat's private door on the communal first floor landing. Outside the property enjoys its own enclosed garden, and there is allocated off road parking accessed via a shared driveway. The flat is situated within walking distance of Uckfield high street with a fantastic selection of shops and cafes along with a popular cinema. The mainline train station is also within walking distance which provides direct links to London Bridae.
