Presented to the market with no onward chain is this delightful, detached bungalow situated to the rear of a popular modern development that is within walking distance of Uckfield's bustling high street. The property is approached via a driveway that leads to an integral garage and the front door invites you into the hallway. From here doors lead to a w/c then into a useful utility room where you can also access the garage. To front is a kitchen/dining room with a central divide, and to side you walk on through to a wonderful bright and spacious lounge boasting a box window to front and a feature fireplace. A family bathroom serves the two double bedrooms. The second bedroom was originally divided into two bedrooms which created a three-bedroom bungalow so there is the option to revert back if needed. A conservatory is found off the second bedroom at the rear of the property that overlooks the pleasant rear garden. The garden is mostly laid to lawn with hedge boundaries providing a good level of privacy. To the side is a lean-to greenhouse and at the top corner of the garden is a lockable covered storage area. Beyond this bungalow and its garden is Hempstead Fields which is a great green space to walk a dog or to simply go for a stroll where a walk along the Hempstead Meadows will bring you to Uckfield high street and its wonderful selection of shops, cafés, restaurants, not forgetting a mainline train station that provides direct links to London.
