We are thrilled to present this rare opportunity to acquire a detached, unlisted four-bedroom equestrian property, complete with an additional detached one-bedroom cottage, nine stables, and multiple outbuildings, including a large purpose-built workshop and garages. Situated on just under approximately 10 acres of beautifully landscaped gardens, paddocks, and woodlands, this property enjoys an enviable rural setting in the desirable village of Blackboys. This exceptional home offers an exciting prospect for new owners to put their own stamp on the property and undertake redevelopment (subject to the necessary permissions). The main house provides over 1,400 square feet of living space across two floors. The ground floor comprises a kitchen/breakfast room, dining room, sitting room, and a store room, while the first floor features four bedrooms and a family bathroom. Adjacent to the main house, the detached cottage is all on one level and includes an entrance hall, kitchen, bathroom, reception/dining room, a bedroom and private garden. The property boasts a range of outbuildings, including a 38'2 x 22'6 purpose-built workshop, seven additional stables, and a tack room. Approached via a private drive off a quiet country lane, the property offers ample parking at the front of the house. Outside, the property is surrounded by a beautifully landscaped wrap-around garden, with the additional land featuring paddocks, woodlands, and two ponds. With breathtaking views and a peaceful, private location, the property provides a fantastic opportunity for development, subject to the necessary permissions, allowing the new owners to shape it according to their needs. N.B - The vendor believes the land is closer to 12 acres.
