This is a wonderful opportunity to become the owner of a spacious two-bedroom ground floor assisted living apartment designed for those aged 65 and over. The property is part of a purpose-built complex located on the outskirts of the charming village of Five Ash Down, which offers a traditional inn and a local post office store. The town of Uckfield is just a couple of miles away, providing a wide selection of shops, restaurants, and a cinema. Buxted Station is also nearby, offering direct services to London Bridge and East Croydon. The apartment features two generously sized bedrooms and a stylish wet room with an easy-access shower and non-slip flooring, conveniently located off the main bedroom. A separate cloakroom and utility room are accessed from the hallway. The spacious living room boasts a stone fireplace with an electric fire and has direct access to the communal gardens. The thoughtfully designed kitchen includes a wide range of storage cupboards, granite worktops, an electric hob with extractor hood, electric oven, and integrated appliances including a fridge, freezer, and dishwasher. Residents have access to beautifully maintained communal gardens and the adjacent care home facilities if needed. A variety of tailored care packages are available, including meal services and residents benefit from allocated parking along with further spaces for visitors.
