A generous four-bedroom detached family home, ideally positioned on the edge of Uckfield while remaining within comfortable walking distance of the vibrant high street with mainline train station, reputable schools, and beautiful countryside walks. The property enjoys both front and rear gardens, perfect for children to play thanks to the artificial lawn or for hosting family and friends, all while benefitting from a delightful outlook over adjoining woodland. A particularly attractive feature is the useful outbuilding/summerhouse located within the rear garden, offering an ideal space for those working from home, a hobby room, or a safe and versatile play area for children. Internally, a welcoming entrance hall with a convenient cloakroom leads through to a very spacious lounge, which flows seamlessly into the dining area at the rear enjoying views across the garden and woodland. The modern kitchen is positioned to the side of the lounge as well as off the entrance hall and enjoys direct access to the garden. The external kitchen door conveniently leads to the rear of the garage which has been partially converted to a useful area for additional appliances. To the first floor, the property is complemented by four well-proportioned bedrooms, served by a family bathroom and further enhanced by the benefit of two en-suite shower rooms. Externally, a driveway to the front provides ample off-road parking and leads to the attached single garage, completing this excellent family home in a highly sought after location.
