DESCRIPTION

A lovely four bedroom family home which is within close proximity of the town centre and mainline train station whilst being tucked away in the corner of a cul de sac. This really has got seclusion and convenience in abundance. The property itself has got a great downstairs space with the kitchen/diner onto conservatory which opens up onto the rear garden. As you can see, the kitchen/diner is going to be a perfect place for entertaining friends and family whilst the decking area in the garden is a great space when the weather is warmer! Now the lounge is another generous space in for the family but they have also got an extra space on the side where the garage has been converted. There is another bedroom, utility room and a hallway which provides even more scope for what you needs. There is also a cloakroom off the hallway. Upstairs you have three further bedrooms and a family bathroom whilst outside you have a large decking, artificial grass so you can use it at any time of year and then of course a large driveway to the front for the parking requirement.
