Station Road, Isfield, TN22 5XG

Location, location, location! A popular saying in the property market but very appropriate in this situation as this chalet bungalow is in the sought after village of Isfield. We could equally have started with Space, space, space as this property offers huge accommodation over two floors with 6 bedrooms and 2 very spacious reception rooms! Offered for sale with no ongoing chain this large property has lots for features on top of the space and location. To the front there is a big driveway which leads to an amazing garage. This garage is going to make the house really stand out as it's an enormous brick structure of over 30ft by 18ft with external steps up to an attic/storage space which, subject to gaining the necessary consents, could be converted into further accommodation. On the ground floor there are three double bedrooms, two of which boast bay windows to the front. There's a ground floor bathroom (one of three in the property) before you get to the open plan reception rooms. The lounge/diner is dual aspect with windows to the side and doors out to the rear garden. This room links on in an L shape to the kitchen/breakfast room which is also dual aspect with windows and doors to two sides. Upstairs there are three other bedrooms, another bathroom, and a shower room. The bedrooms up here also have access to eaves storage areas just in case you need even more space! The garden to the rear is another fantastic feature and overall, this must tick so many boxes for families. One not to be missed!
