Situation

An extended and recently refurbished semi-detached bungalow set in a central and very convenient position within minutes walk of all the amenities and with larger than average rear garden and off street parking

Hassocks is a vibrant village with a bustling High Street including cafés, a deli, butchers, bakers, post office, restaurants and public houses. Its mainline train station provides regular rail services to London, Brighton and Gatwick. There are also a range of revered state and private schools locally.

Situated in a very convenient position within minutes walk of all the amenities, this semi-detached bungalow has recently been refurbished including a new kitchen and bathroom and offers light reception rooms all on one level. The fitted kitchen/breakfast room steps down into the sizable sitting room with doors opening out onto the larger than average rear garden. There are three large bedrooms serviced by a fitted shower room. There is considered huge scope to enlarge the property (stnc). The rear garden is predominantly laid to lawn with a large terrace adjoining the rear of the property. A further piece of garden accessed via a bridge over the stream which was purchased by the current owner c1970, significantly increases the size of the rear garden. A driveway to the side of the property provides off street parking for three cars and there is the benefit of a front lawn.
