Step Inside

Sitting back from a tree-lined road in a gently elevated position that gives a great sense of privacy, this enviably spacious detached chalet bungalow looks out onto the greenery of large gardens to both the front and rear. Within a 0.4 stroll from the beach and with easy access to the centre of town, its thoughtfully extended layout flows from a central entrance hall and captures a lovely degree of natural light at every opportunity.

Generating a hugely sociable yet delineated design, a duo of superbly sized and presented reception rooms combine with a modern conservatory to give a wealth of interconnecting space in which to relax and spend time together. With the warm tones of a wood floor and the charm of bow windows and picture rails, an excellent double aspect dining room sits to the front and unfolds onto a stylish living room. Glazed double doors subtly enhance the sense of light and space, and whilst a fireplace adds a homely focal point further doors extend the generous dimensions further still taking you into a modern conservatory.

Across the entrance hall a first class kitchen is fully fitted with sleek gloss cabinets and contrasting black countertops. The wrap-around design provides ample storage and workspace, and has both an integrated dishwasher and a freestanding cooker. Its tiled floor extends seamlessly into a magnificent large breakfast room filled with light from a vaulted glazed ceiling and French doors that tempt you out onto a secluded side patio for a peaceful morning coffee.

Three double bedrooms produce a fantastic amount of versatile accommodation, and whilst two have more of those elegant leaded bow windows, one sits exclusively on the top floor creating a prized escape from the hubbub of a busy day. Together they share two ground floor bath/shower rooms with modern suites and matching tile settings.

Step Outside

Boarded by a feature bungaroosh wall topped with mature hedging, the notably large and raised front garden provides both an impressive introduction and a cherished feeling of privacy from passers-by. Tastefully landscaped and framed by flowerbeds stocked with palms, roses and evergreen shrubs, it stretches up to the covered doorway of a double fronted facade, while to the side a prodigious brick paved driveway combines with an integral garage/utility room to supply plenty of private off-road parking.

To the rear the French doors of the breakfast room and conservatory entice you out into a beautifully secluded garden. Its broad paved patio wraps-around to the side and reaches down alongside a large established lawn to give you every opportunity to sit, dine and unwind in the summer sun. A profusion of flowering shrubs peppers elegant white blooms along the borders, high hedging enhances the level of privacy and a timber shed supplies handy external storage.
