Step Inside

Perfectly placed for fresh coffee, pastries and artisanal breads, this impeccable first floor home has the privacy of its own street level entrance and the outdoor space of a large courtyard garden. Beautifully styled with a changing palette of heritage colours that give each room its own character, an impressively generous layout unfolds from a landing that has ample space for cabinets and storage.

Filled with light from wide west facing bay windows the open plan design of the lounge/dining room and kitchen generates a great sense of space. Floating shelves nestle in the chimney breast alcoves of the lounge and whilst picture rails wrap-around above you enhancing the height of the ceilings, the bay windows supply the perfect spot for a dining table. The adjoining kitchen has sleek contemporary cashmere cabinets and countertops which are paired with matte black t-bar handles. Fully fitted with an integrated oven and gas hob, the u-shaped layout provides plenty of workspace and room for a freestanding fridge freezer while an oriel window lends extra charm to this period home.

The excellent proportions and exemplary presentation is matched in a brilliantly large double bedroom where further chimney breast alcoves easily accommodate a wealth of freestanding wardrobes. Superbly light and airy with picture rails of its own, this inviting room comes complete with a secure demi-glazed door that makes it easy to step down into the courtyard garden and relax in the sunshine.

Arranged in a smart white tile setting that reflects a lovely amount of natural light from opaque windows, the contemporary suite of the stylish bathroom includes a full size bath with an overhead shower and glass screen.

Outside

Sitting above Worthing's first artisanal bakery at the end of a small row of local independent shops, this first floor flat has the added benefit of a notably large walled courtyard garden that provides a great place to enjoy al fresco drinks with friends or to simply sit back, relax and unwind in the fresh air.
