Description

Who doesn't Love a bit of seclusion? This property not only offers seclusion but outstanding far reaching views of rolling countryside and the Pennine Fells. Not only is this property located in the most beautiful setting but it offers stunning accommodation throughout. The cottage combines two historic properties to create 4 bedrooms, en-suite facility and 2 bathrooms as well as superb open plan kitchen, lounge and sitting dining room and adjacent utility. There is a garage, parking for many vehicles and a lovely garden area to 3 sides. ****NO UPWARD CHAIN****

Although rural the property is only a short drive from Orton with its village amenities and in the other direction Appleby again with an abundance of amenities and Train Station with Settle to Carlisle connection. The M6 motorway is approximately 5 miles away and links Kendal and Penrith offering great access to the Lake District and Eden Valley. "Please note: this property is situated in the Yorkshire Dales National Park and is surrounded by common land. As is often the case with these types of properties, part of the garden is leased from the parish council for a nominal fee each year (~£200 a year) after the previous owners extended the boundary. This is normal for these unique properties and means that your beautiful views will never be outbuilt. Owners are happy to explain during viewings."
