Description

* Plot 9* Jasmine Cottage is a well-appointed three-bedroom detached bungalow with about 1205 sq.ft. of single-level living space. The interior comprises an open-plan living, kitchen, and dining area with French doors leading to the rear garden, three spacious double bedrooms, a master bedroom with an ensuite shower room, and a family bathroom. Outside, the garden is predominantly laid to lawn with a rear terrace. The front offers off-road parking for two vehicles and access to the garage.

Directions

Discover the perfect blend of luxury, location, and style in the first phase of Stonewood Homes' captivating new development in Tirril, nestled on the edge of the stunning Lake District National Park. Prepare to be impressed by the thoughtful craftsmanship of this respected local developer, who has once again delivered homes that radiate timeless charm and exceptional quality.

Each home is designed with meticulous attention to detail. Enjoy cooking in kitchens featuring top-quality fittings from the Macintosh or Symphony ranges, alongside modern appliances and stylish quartz countertops as standard. Retreat to spa-like bathrooms boasting high-end fittings and plush floor coverings, with the option to personalise your space with a range of colours and styles.

The location is simply stunning, offering sweeping views of the majestic Lakeland fells, just a short distance from the picturesque Pooley Bridge and tranquil Ullswater lake. With Penrith and the M6 motorway nearby, convenience meets tranquillity in this idyllic setting.

Stonewood Homes is dedicated to sustainability, ensuring each home is equipped with high levels of insulation, energy-efficient air source heat pumps, and heat recovery systems. The exterior features charming buff sandstone walling, finished with a textured facade that blends seamlessly with the natural surroundings. Anthracite UPVC windows along with energy-efficient LED lighting, complete the picture of modern comfort.

With only seven properties available in this exclusive first phase, early reservation is essential to secure your dream home in this sought-after development.

Please note that these properties are currently under construction and we have two alternative options for the layouts
Site visits are available by appointment only.

The Development

Swallows Rise is a development of 19 houses and 5 bungalows located a short distance from Ullswater lake and the beautiful village of Pooley Bridge. The homes range from 3 – 5 bedroom houses and bungalows and will all be built to an exceptionally high standard using buff sandstone walls and natural slate roofs. The classical Georgian features will give the houses a timeless appeal and create an outstanding development with breath-taking views across the Lake District National Park and beyond.

The Developer And Their Ethos

Stonewood have been building homes in Cumbria for a number of years and have always made sure that design and quality have been the first thought in their creations. From various sites through the Lake District National Park & Cumbria, they have built houses of distinction that even years later the buyers remain extremely excited by what has been created for them. Stonewoods name was created because of their use of interesting stone and wood throughout each of their developments and they remain passionate about sourcing the right materials to personify this.

Services

Mitsubishi 8kw Air Source Heating
Under Floor Heating on the ground floor with multiple controllable zones
Mains Water, Electricity and Drainage

There will be a private estate management fee for the maintenance of the communal areas.

An initial payment of £300 will be requested which will then be paid to the management company once the whole development is completed.
