SUMMARY

Cwrt Gloddaeth is a stunning McCarthy Stone Retirement Living development of 44 apartments specifically designed for those age 60 and above. It is set on Gloddaeth Street in Llandudno, one of the largest and most loved sea side resorts in Wales.

With a contemporary design, the development is perfectly located for town centre shopping and public amenities together with being only a short distance from the sea front at the North and West shores and the Great Orme, an area designated as a Special Area of Conservation. Cwrt Gloddaeth has been designed and constructed for modern living.

The apartments boast underfloor heating with Air Source Heat Pumps throughout, Sky/Sky+ connection points in living rooms, walk in wardrobes in main bedroom and French balconies to selected apartments. The dedicated House Manager is on site during working hours to take care of the running of the development.

There's no need to worry about the burden of maintenance costs as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. All energy costs of the laundry room, homeowners lounge and other communal areas are also covered in the service charge. For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (usually for a fee of £25 per night - subject to availability). It is a condition of purchase that residents must meet the age requirement of 60 years or over.
