THOMAS COURT, MARLBOROUGH ROAD,

1 BEDROOMS £170,000

INTRODUCTION:

Situated on the first floor, this is a very well presented one bedroom apartment with a South Westerly facing outlook over the front of this popular development. A lift service provides access to the excellent facilities. A good-sized living room has a focal point fireplace, there is an excellent fitted kitchen with a significant range of integrated appliances, a double bedroom with walk in wardrobe and a wet room with a level access shower and the additional benefit of a bath.

Thomas Court was constructed in late summer of 2013 by multi-award winning McCarthy Stone, and remains one of our most sought-after developments. This is a 'Retirement Living Plus' development offering a lifestyle living opportunity for the over 70's and designed specifically for independent living with the peace-of-mind provided by the day-to-day support of our excellent staff and Estate Manager who oversees the smooth running of the development. The property enjoys excellent communal facilities including a Homeowners' lounge, restaurant with a fantastic, varied daily table-service lunch, laundry room, scooter store and landscaped gardens. Homeowners also benefit from one hour of domestic assistance each week and there are extensive domestic and care packages available to suit individual needs and budgets, if required.

All apartments are equipped with a 24-hour emergency call facility and sophisticated intercom system providing both a visual and verbal link to the main development entrance. There is also the excellent guest suite widely used by visiting family and friends for which a small charge per night applies.

It's so easy to make new friends and to lead a busy and fulfilled life at Thomas Court - there are always plenty of regular activities to choose from including a choir, art group, fitness classes, coffee mornings, games and quiz nights, themed events and occasional organised trips. Whilst there is something for everyone there is certainly no obligation to participate and home owners 'dip in and out' of activities or quite naturally, remain as private as they wish.

The development is in an excellent position within a level walk of extensive amenities; shops, bars and restaurants, Doctors, Library, Roath Park and bus routes are all close at hand.

ENTRANCE HALL:

With a solid Oak-veneered entrance door with spy-hole, security intercom system that provides both a visual (via the home-owners TV) and verbal link to the main development entrance door. Emergency pull cord, walk-in boiler cupboard with light and shelving housing the Gledhill boiler supplying domestic hot water. Ceiling light fitting

LIVING ROOM:

A spacious lounge with double glazed window. There is a focal point fireplace with an electric 'coal-effect' fire, and feature glazed panelled double door leading to the kitchen.

KITCHEN:

With a double-glazed electronically operated window. Excellent range of pale wood effect fitted wall and base units with contrasting laminate worktops and incorporating a stainless steel inset sink unit. Integrated appliances include; a four-ringed hob with stainless steel chimney extractor hood over, high level double oven and concealed fridge and freezer. Ceiling spot light fitting, extensively tiled walls and fully tiled floor.

DOUBLE BEDROOM:

A lovely well-proportioned double bedroom. Double-glazed window, walk in wardrobe with ample hanging space and shelving.

BATHROOM:

Modern white suite comprising; panelled bath, a walk-in level access shower with thermostatically controlled shower, close-coupled WC, vanity wash-hand basin with under sink storage and fitted mirror with strip light and shaver point above. Fully tiled walls and wet room vinyl flooring, electric heated towel rail/radiator, emergency pull cord and ceiling spot light.

FURTHER INFORMATION:

There are pleasant communal landscaped gardens. Car parking is available with a yearly permit at a charge of around £250 per annum. In addition to the excellent underfloor heating there is an economic 'Vent Axia' heat recovery (heat exchange) system utilising the hot air generated within the property and recirculating this back into the principle rooms.
