VIEWPOINT, HARBOUR ROAD, GOSPORT, HAMPSHIRE, PO12 1GX

VIEWPOINT

Viewpoint is a Retirement Living development constructed by award-winning retirement home specialist McCarthy and Stone specifically designed for the over 60's.

The dedicated House Manager is on site during working hours to take care of things and make you feel at home. There's no need to worry about the burden of maintenance costs as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. All energy costs homeowners lounge and other communal areas are also covered in the service charge. For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance. The Homeowners' lounge provides a great space to socialise with friends and family. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (subject to availability, fees apply).

Viewpoint is situated in a waterfront location in Gosport, offering stunning panoramic views of the sea and is in a beautiful natural location. Gosport also caters for the modern needs of homeowners with a vast range of amenities and services. For everyday shopping, an ALDI supermarket is found adjacent to the development but there are also plenty of independent shops to sample too. For those interested in wider travel, the local bus station is only a short walk from the development and offers good connections to the surrounding areas.

It is a condition of purchase that residents must meet the age requirement of 60 years or of age or over.

COMPLETED WORKS - VIEWPOINT

In the wake of the Grenfell Tower tragedy, the UK's building industry underwent significant transformations, leading to new safety regulations being implemented to reduce the fire risk posed by external wall systems. As part of McCarthy Stone's commitment to providing quality, safe and secure homes for its customers, Viewpoint has undergone extensive renovations to its external structure, ensuring the building meets new EWS1 Safety Regulations.
