Thomas Court

The development was constructed in late summer of 2013 by multi-award winning McCarthy Stone, and remains one of our most sought-after developments. This is a 'Retirement Living Plus' development offering a lifestyle living opportunity for the over 70's and designed specifically for independent living with the peace-of-mind provided by the day-to-day support of our excellent staff and Estates Manager who oversees the smooth running of the development.

The property enjoys excellent communal facilities including a Homeowners' lounge, restaurant with a fantastic, varied daily table-service lunch, laundry room, scooter store and landscaped gardens. Homeowners also benefit from one hour of domestic assistance each week and there are extensive domestic and care packages available to suit individual needs and budgets, if required.

All apartments are equipped with a 24-hour emergency call facility and sophisticated intercom system providing both a visual and verbal link to the main development entrance and in addition to the excellent underfloor heating, there is an economic 'Vent Axia' heat recovery (heat exchange) system utilising the hot air generated within the property and recirculating this back into the principle rooms.

There is also the excellent guest suite widely used by visiting family and friends for which a small charge per night applies.

It's so easy to make new friends and to lead a busy and fulfilled life at Thomas Court - there are always plenty of regular activities to choose from including a choir, art group, fitness classes, coffee mornings, games and quiz nights, themed events and occasional organised trips. Whilst there is something for everyone there is certainly no obligation to participate and home owners 'dip in and out' of activities or quite naturally, remain as private as they wish.
