Summary

Meadows House was built by McCarthy and Stone in 2016 and comprises of one and two bedroom apartments purpose built for Retirement Living for the over 60's. There is a House Manager on site and a 24-hour emergency call system provided via a personal pendant alarm and with call points in the bathrooms and throughout the development.

The apartment features a modern fully fitted kitchen, spacious living room with access to the covered patio, master bedroom with a large walk-in wardrobe and an en-suite shower room, second double bedroom also providing access onto the patio, separate shower room and each room has individually controlled underfloor heating. The development facilities includes a communal lounge and beautiful landscaped gardens.

The House Manager is on site during working hours between 9am to 2pm to take care of the development. There's no need to worry about the burden of maintenance as the service charge covers the cost of the apartment underfloor heating, all external maintenance, gardening and landscaping, external window cleaning including the exterior windows to all apartments, the sliding patio doors and glazed balustrades to the balconies, buildings insurance, water rates and security systems. All energy costs of the homeowners lounge and other communal areas are also covered in the service charge.

For peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance. The communal lounge provides a great space to socialise with friends and family. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (usually for a fee of £30 per night - subject to availability). It is a condition of purchase that residents must meet the age requirement of 60 years or over.
