Humphrey Court, The Oval, Stafford

Summary

Humphrey Court is located in the heart of Stafford. Founded during the Anglo Saxon period, Stafford now offers a modern range of shops and services nestled among the Elizabethan buildings that are so prevalent in the county town.

There is a wide range of national and independent shops on the high street, combined with the Guildhall Shopping Centre also in the town centre. These are complemented by the Indoor Market, which hosts markets four days a week and a monthly farmers market, a popular choice with those seeking local produce. Less than a mile from Humphrey Court is Victoria Park. This 13 acre Edwardian park, offers riverside walks and a bowling green, whilst the popular tourist attraction of Shrugborough Hall lies 5 miles from Stafford and perfect for a relaxing day out. Humphrey Court has been designed and constructed for modern living. The apartments boast a walk in laundry cupboard with washer/dryer, underfloor heating throughout, Sky/Sky+ connection points in living rooms and walk in wardrobes (in selected apartments).

The dedicated House Manager is on site during working hours to take care of things and make you feel at home. There's no need to worry about the burden of maintenance costs as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. All energy costs of the homeowners lounge and other communal areas are also covered in the service charge. For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance.

The Homeowners' lounge provides a great space to socialise with friends and family. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (usually for a fee of £25 per night - subject to availability).

It is a condition of purchase that residents must meet the age requirement of 60 years or over.

Entrance Hallway

Front door with letter box and spy hole opens into a welcoming entrance hallway. The security door entry system and 24-hour emergency response pull cord system is wall mounted in the hall. Smoke detector. Doors lead to the living room, both bedrooms, shower room and to a storage cupboard which houses the hot water system and a washing/ dryer machine.
