Local Area

The pretty commuter town of Borehamwood sits just outside of London, offering all of the convenience and comfort of a smaller town but with the added luxury of having the capital right on your doorstep.

The Elstree and Borehamwood Museum brings the local area and its rich history to life with a variety of historical items and photographs. The Elstree area has become nationally famous as a centre for television and film thanks to the busy production studios.

A small convenience store is located just a short walk from the development, whilst a small high street area can be found just a mile away, offering supermarkets, high street banks, a Post Office, medical centre and pharmacy, as well as several other amenities. For some retail therapy, head to the Borehamwood Shopping Park, which includes a number of high street brands. Once a week mini bus service to the town centre.

Thanks to its location within the London commuter belt, Borehamwood offers great train connections to the capital. Trains to St Pancras station take just 23 minutes and the A1, M1 and M25 are easily accessible. Bus services also link Borehamwood with New Barnet, Edgware and North London. Hatfield, Stanmore and Watford can also be reached via Uno bus services.
