## The Local Area;

Clevedon is a picturesque Somerset town on the banks of the Severn Estuary. As well as a town centre offering a unique selection of quirky shops alongside high-street favourites, the waterfront provides all you could want from a typical English seaside town.

The town's pier, a Grade I listed building, is hailed by some as England's most beautiful pier. Nearby you'll find a variety of stylish cafes and restaurants, and a stroll along the promenade provides stunning views over glistening pebble beaches and out across the estuary. Clevedon is also home to some charming ornamental gardens and an elegant Victorian bandstand, where you can enjoy performances throughout the summer.

One of the oldest purpose-built cinemas in the world that is still in working order, you'll feel as though you've travelled through time as you step through its doors. Enjoy the newest blockbusters, classic films and screenings of live performances as part of an experience that you'll not forget in a long time.

What's more, on the seafront you'll find Clevedon Promenade Bowling Club, a friendly club that always welcomes new members. As well as lawn bowling throughout the summer months, with both friendly and competitive games held regularly, the club often hosts social events such as coffee mornings, quiz nights and bingo.

And further north along the Clevedon coastline is Clevedon Golf Club. Having celebrated its 125th anniversary in 2016, the course is highly regarded in Somerset and offers fantastic views across the estuary. Welcoming both visitors and new members alike, the club boasts extensive facilities, including a driving range, practice greens
