Apartment features

This apartment is close to two lifts which open in the communal areas on the ground floor. Situated on the top floor and at the end of a corridor this alleviates any concerns of noise from neighbours above and people walking by to get to the lift. The lounge benefits from a dual aspect, offering lots of light into the room. The bedroom provides ample space for storage in which most of our buyers tend to need when downsizing, including sizeable walk in wardrobe, in addition to comfortably fitting in two large wardrobes, chest of drawers and a large divan bed with storage within.
