THE PROPERTY

Ideal for those looking for a good size property with potential, this period terraced house is located within a short walk of the town centre facilities and enjoys an elevated position with views across the rooftops towards the countryside. Whilst it's fair to say the property would benefit from some improvement its a great opportunity for you to "make it your own" and it is offered for sale with no onward chain.

ACCOMMODATION

The front door opens straight into a good size living room with a sunny aspect to the front and views across the town towards the countryside in the distance. A fireplace currently houses a villager woodburning stove. At the rear, a lobby leads out to the rear garden and also offers some storage under the stairs which lead up to the first floor. To one side is a kitchen overlooking the rear garden. Whilst you may prefer to update the units, there is currently a built-in hob and double oven, alongside an integrated fridge and freezer. There is also space for one or two under surface appliances such as a washing machine. Upstairs there are three bedrooms, the two front rooms enjoying far reaching views across town and the larger bedroom being located at the rear away from the High Street. The bathroom includes a white suite with shower over the bath.

OUTSIDE

The property is approached over the raised pavement that runs along the front of High Street / Strawberry Bank. An alleyway to the side belongs to the neighbouring property but provides a right

of way to the rear garden, which is slightly elevated behind the property. There are stepped areas of hardstanding, and a more conventional area of garden beyond which is currently overgrown but offers a great deal of potential. It is partly enclosed by a stone wall on the east side, and a timber fence on the west side. There is also an outside tap at the rear of the house. Please see our Material Information section in relation to rights of way in the rear courtyard / garden.

SITUATION

Ilminster is one of South-Somerset's prettiest market towns and everything needed for day to day living is on the doorstep. There is a wide variety of independent stores centred on the market square and 15th century Minster Church. The town is well served by a modern health centre, a dental surgery, two schools, a Tesco store and town centre Co-op / Peacocks store, hairdressers, cafes, pubs and takeaways. The nearest mainline station is 10 minutes away in Crewkerne (London Waterloo-Exeter). Taunton Station serves Bath, Bristol and London Paddington. Within a 30-minute drive lies the Jurassic Coast World Heritage site and the famous seaside town of Lyme Regis. Herne View Primary school is based over two sites in the town and caters for children from 4-11 although there are also good nurseries and pre-schools within easy reach. The town centre also provides easy access to the Dillington estate permitted pathways and Sustrans cycle route 33, meaning you can be in the open countryside within a few minutes walk.
