THE PROPERTY

Tucked away in a private position down its own private driveway, this detached bungalow is offered for sale with no onward chain and is perfect for those wanting more compact, single-level living in a popular and accessible village.

ACCOMMODATION

To the front of the property is a handy UPVC entrance porch, giving you some extra space before you go into the hallway, where there is the usual access to the loft space via a hatch. A shower room is fully tiled in plain white tiles, and comprises a corner shower, wash hand basin and WC with a chrome ladder towel radiator to one side.

There are two double bedrooms, one to the front and another at the rear overlooking the garden, both of which have fitted wardrobes. At the opposite side of the property is a generous triple aspect living room with windows to the east, south and west sides making the most of the natural light. Adjoining is a fitted kitchen with modern beech effect units including light quartz effect laminate worktops and a stainless steel sink unit. There's an integrated electric hob and undercounter oven, with two further spaces for undercounter appliances. Conveniently, there's a large traditional walk-in pantry cupboard for added storage to one side. A door from the kitchen leads out to a lovely UPVC conservatory at the rear which can double as an extra dining or breakfast area if you prefer.

OUTSIDE

The property is approached over its own driveway and 5 bar timber gate. The driveway provides parking and access to a larger than average garage, with up and over electric garage door and side pedestrian door. There is power and light connected. The rear garden is currently laid to lawn with mature trees and shrubs, and a patio nearest the bungalow, whilst to the north side of the bungalow is a gravelled area housing the oil tank and oil fired external boiler. There is also access around to the front path, leading to the front door, which is also accessible from the driveway over a paved pathway.

SITUATION

The property is situated within Horton, a village that also lies adjacent to Broadway. Both villages have a great range of village facilities. Each village has a thriving pub with accommodation. For families there are two playgrounds, a pre-school and the well respected Neroche Primary School, as well as a doctors' surgery in Broadway. There is a post office in Horton, and various parish churches of different denominations locally. There are a range of clubs and societies including a thriving cricket club for those who like to get involved in the community. The pretty market town of Ilminster lies just over 3 miles from the property and has a wonderful range of independent stores including award-winning butchers, delicatessen, cheese and dairy shop, and greengrocers as well as two town centre supermarkets for your everyday essentials.
