The Agent that goes the Extra Mile

Don't miss this opportunity to purchase a well presented, detached bungalow situated in a cul-de-sac location on the outskirts of the rural village of Crymych in North Pembrokeshire and within walking distance to the local schools and shops. This property is set within a good-sized plot with lovely views of the hills beyond and benefits from three bedrooms, and plenty of off-road parking. It would make an ideal family home for a growing family where they can enjoy all the benefits of a semi-rural lifestyle whilst still being near to amenities and a local community. Additionally the house enjoys views of the National Park but sits outside the park's boundaries.

Entering via the front door into the entrance hall that follows round in an L shape, this leads to the kitchen on your left which is open plan into the additional lounge area, this could be changed to a dining room and offers many options for socialising. The kitchen has a gas hob and fitted gas oven and matching wooden base and wall units made by Crosby. A window is set over the the sink and faces West, overlooking the rear garden with views of the fields beyond. A door from the kitchen leads to the handy utility room housing the gas boiler and white goods, an internal door leads to the garage, a W/C and a door to the rear garden.

The living room is situated in the middle of the house, and has an electric feature fireplace with surround and slate hearth, and a sliding door that leads to the patio and rear garden. There are three bedrooms and a shower room the other side of the property, two double bedrooms have fitted wardrobes with sliding mirrored doors offering plenty of storage space, a single bedroom is situated to the front of the house. The shower room is tiled floor to ceiling and has a shower cubicle with sliding door, wall cupboard and illuminated mirror over the sink.

Externally, the house is situated in the centre of the cul-de-sac which has a council adopted road, there is a pavement that leads from the property all the way into the village. A pretty stone boundary wall runs along the front and there is a gate and plenty of off-road parking available on the tarmacked driveway, the integral garage has an electric roller door and lighting. There are lawned gardens to the front, both sides and rear planted with various mature shrubs and flowers, a paved walkway runs all the way around the house and a pretty patio area that leads directly from the lounge is perfect extending your living space outdoors.

This is an versatile home that would suit most needs, viewing highly recommended !
