We Say...

MAIN HOUSE AND GARDENS. Exciting waterfront property fronting the River Teifi.

This waterfront property is called Glanteifi House, and is a substantial double fronted, six-bedroom period house set over three floors thought to date to the mid-1800s, that has overtime been extended and modified.

Accommodation
Glanteifi House Ground Floor

A smart portico entrance leads into the reception hall with cloakroom off and doors leading to the principal reception rooms. On the right is the large sitting room with double aspect and views across the river, double French doors that open out onto the sun terrace and a fireplace providing a focal point. Adjacent is the dining room, again with views of the river and with double French doors that open out onto the front terrace. At the rear of the house is a large kitchen breakfast room with fitted units, double oven, hob, extractor hood and space for appliances. A utility room off the kitchen opens out onto the side porch and main parking area.

Stairs rise up from the reception hall to the first-floor accommodation that includes a principal bedroom with en suite bathroom and two further bedrooms. The two larger bedrooms at either side of the house enjoy double aspects looking up and down river. A separate bathroom with shower completes the floor.

Stairs continue to the second-floor accommodation that includes three further bedrooms, including a large nursery capable of accommodating four beds and a separate bathroom.

The cellar is currently used as as a workshop, storage and boiler room. This can be accessed through doors at either end via 2 separate sets of stairs.

Externally
Entering through the main gateway, a drive leads down to the parking area outside Glanteifi house. The property features extensive landscaped grounds and gardens with large lawned areas, mature trees, hedges, bushes, shrubs and flower borders. There is an impressive stone staircase that runs down from property to the bottom gardens that features a stone Doric temple and bowling green. There is also a tennis court for avid players and those keen to dust down their tennis rackets and take up the game once more.

The grounds extend to approximately 1.5 acres although could change if boundaries change.

There is an option to purchase an adjoining four bedroom house , (Mallard House). The total Guide price for both properties is £1.2m. Please see separate online details or contact us to send you them.

The whole estate with two more cottages and the boat house with summer house (excluding the third party owned Grebe Cottage) has a Guide price of £1.75m. Again please see separate details online or ask us to send you them.

The River Teifi and its banks, including a narrow strip of the property, are designated a SSSI (Site of Special Scientific Interest) and SAC (Special Area of Conservation).
