We are delighted to bring to market this characterful former farmhouse situated within the village of Blaenporth, just 3.6 miles to popular Ceredigion Coastline and 5.9 miles to Cardigan Town and its many amenities, this property would make an ideal family home or lifestyle opportunity, benefitting from five bedrooms, three reception rooms and sits within an approx 0.25 acre plot.

The house retains many original features and offers a wealth of charm, while also presenting a blank canvas for modernisation. Briefly comprising, a front UPVC entrance porch, entrance hallway with stairs to first floor and doors either side to living room and the second reception room. Both reception rooms feature open fireplaces, one with an original 1930's Art-Deco style tiled surround.

Towards the rear of the house, is the kitchen with matching wall and base units and a door leading to the dining room. The dining room has an oil-fired Rayburn for cooking and is also accessible from the living room. The practical utility room and adjoining storage area are accessed directly from the kitchen, with a door leading out to the rear garden and accompanying outbuildings.

Upstairs, an L-shaped landing provides access to five bedrooms—four of which are generous doubles—as well as the family bathroom.

Externally, the property benefits from ample off-road parking to the front, along with an attached double garage equipped with power and lighting and one electric roll up door. A side gate offers convenient pedestrian access to the wonderful rear garden which features a range of well established shrubs and flowers and a level lawned area with central pathways.

A partially enclosed hayloft barn offers valuable storage space for vehicles or machinery, and immediately to the rear of the house is another versatile outbuilding complete with windows, power, and lighting. An additional attached storage area is also located to the side of the house, offering a further practical space. Further benefits include potential vehicular accesses from the side of the property.
