A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Beacon Park.

Just a few yards from the A6, Beacon Park offers convenient travel to Preston in the south and Lancaster in the north. Buses between Morecambe, Preston and Lancaster pass through Catterall and Garstang, stopping around 400 yards from the development. Journey time, by bus, to Preston is around 25 minutes, with Lancaster less than 40 minutes away. The A6 also provides easy access to the M55 and the M6.

The Brockholes Arms pub and Italian restaurant is a pleasant 20 minute walk away, beside a local café, Auction Eats, that serves home-cooked food from breakfast onwards, with a take-away service in the evenings. Also nearby, the gym at Fenton Fitness has cardio machines, weights, resistance equipment and a fitness studio. On the northern edge of the village, Garstang Country Hotel and Golf Centre complements its parkland course, driving range and practice zone with excellent bar and dining facilities.

A delightful village set in rural surroundings just two miles from the town centre of Garstang and less than ten from Preston, Catterall blends a vibrant sense of community with the appeal of inspiring, open landscapes. Close to the Forest of Bowland, this attractive neighbourhood of energy efficient three, four and five bedroom homes provides a perfect opportunity to put down roots in the heart of England's beautiful north west.

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

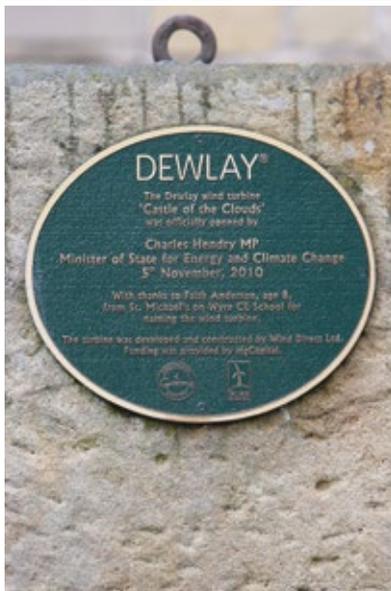

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

The market town of Garstang presents a wide range of shops and amenities. Sainsbury and Aldi supermarkets contrast with a traditional high street where local butchers, bakers, newsagents, stationers, and specialist shops, many of them in the delightful Market House, are interspersed with high street names, pubs, restaurants, take-aways and services ranging from hairdressers to banks. Garstang's main shopping area is just two miles north of Beacon Park, while the large Barton Garden Centre, which incorporates restaurants and a farm shop, is a mile and a half to the south.

Garstang's amenities include a small swimming pool, library, post office and two GP practices which share the Medical Centre with a convenient pharmacy. There are also three dental surgeries in the town. Catterall is served by St Helen's C of E Primary School, which was assessed by Ofsted as good with some outstanding features. Pupils normally move on to Garstang Community Academy, set in beautiful grounds with open views. Both schools are around a mile from Beacon Park.

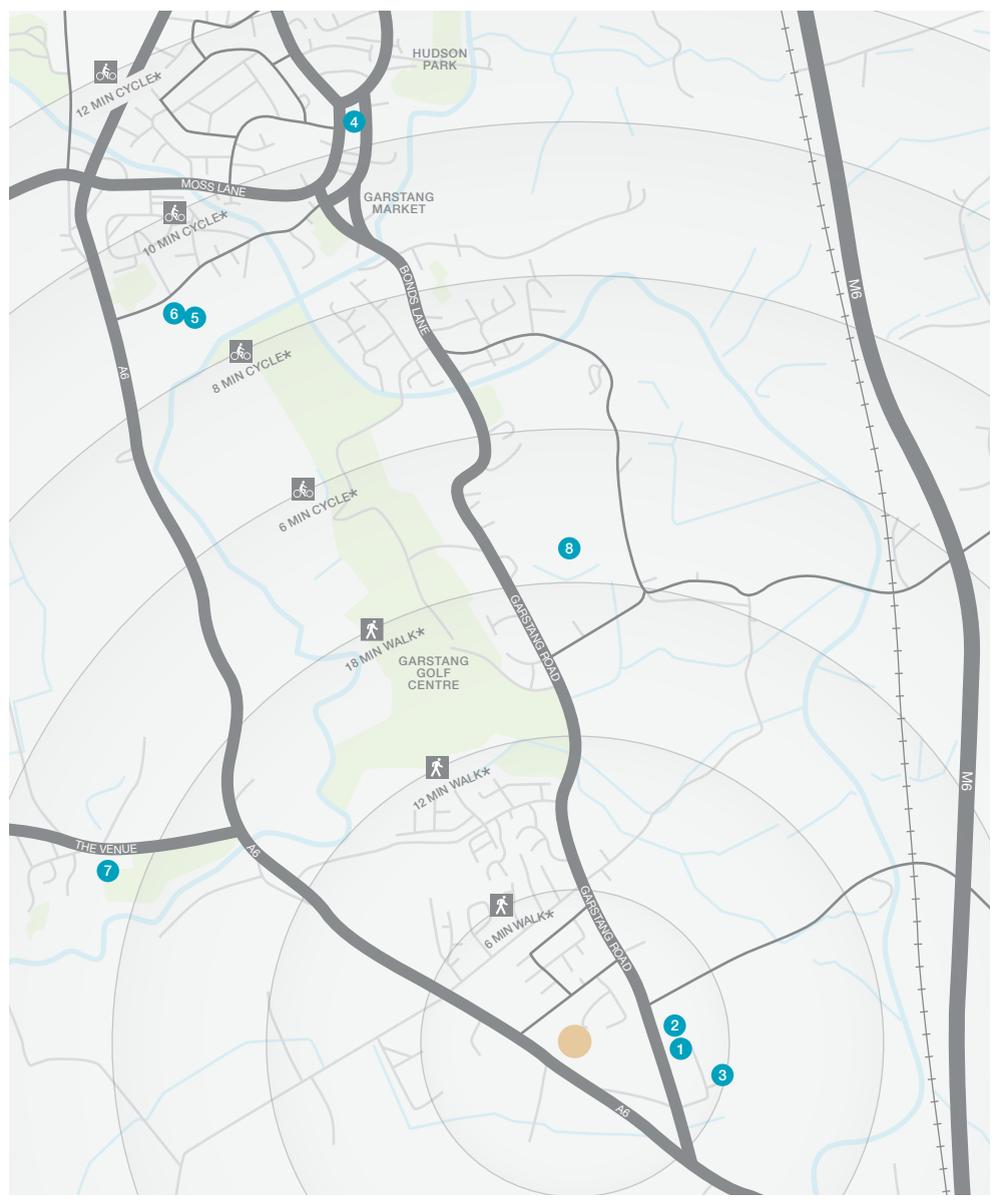

The short route between Catterall and Garstang crosses both the River Wyre and the Lancaster Canal, whose picturesque walkways, marinas and pleasure craft bring a special charm to the area. The surrounding countryside is peppered with character-filled villages, pubs and restaurants such as 'Owd Nell's in Bilsborrow, while two miles to the east the Forest of Bowland, an Area of Outstanding Natural Beauty rich in wildlife, supplements endless opportunities for exploring woodlands and fells with a programme of events throughout the year.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
