Swallow House

Location & Description

Located close to both Tewkesbury and the historic riverside town of Upton upon Severn. The riverside town of Upton upon Severn which offers a range of amenities including Spa and Co-op supermarkets, independent shops, eateries, public houses, a health centre and other community facilities. Further and more extensive facilities are available in the city of Worcester or nearby towns of Great Malvern and Tewkesbury.

Transport communications are excellent with mainline railway station in Malvern or Worcester providing direct links to London, Birmingham, Hereford and South Wales alongside the recently opened Parkway station near Kempsey. Junction 1 of the M50 motorway is just outside Upton upon Severn bringing the Midlands, south west and south Wales into an easy commute.

Educational needs are well catered for at primary and secondary level in both the public and private sectors.

Property Description

Designed and built by Barnwood Construction Ltd to a high standard and specification.

The house is initially approached via a resin driveway that allows for ample parking with additional gravel parking in front of the property and flanked by a Laurel hedge. The driveway gives access to an integral single garage with light points to either side.

A composite front door with chrome fittings and obscure double glazed panel side panel opens to the accommodation which is in excess of 2200 sq. feet and offering flexible and versatile accommodation with zoned air source heating, central heating and double glazing.
