30 The Beeches

Location & Description

The property enjoys a convenient location in the small village of Ryall which lies on the outskirts of the well served and historic riverside town of Upton upon Severn where there is a comprehensive variety of shops, places to eat out, a library, Doctors surgery with pharmacy and dentist, a primary school and the nearby Hanley Castle High School.

Situated approximately eight miles from Malvern, ten miles from Worcester and six miles from Tewkesbury, Upton enjoys fast access to Junction 1 of the M50 motorway which is just three miles away and provides links to Birmingham, The Midlands, The South West, Wales and London. There are mainline railway stations located at Pershore, Worcester and Malvern with direct links to Paddington, London and further afield.

Upton is well known for its many summer festivals and of course for its famous riverside marina. It also has easy access to some of the most stunning countryside in the region including the nearby Malvern Hills and the Severn Valley.

Property Description

The property itself is a traditional single storey semi-detached bungalow which has been well-maintained over the years and was extended some years ago. Its current accommodation includes an entrance lobby, lounge/dining room, inner hall, modern kitchen and two bedrooms, one of which has its own en-suite dressing room. This could, with a little imagination be converted to provide a third bedroom if necessary.

Offered with oil fired central heating and double glazed windows the bungalow stands in an attractive private garden with off road parking for two vehicles.

The rear garden itself is laid to lawn with a raised paved patio/seating area, shrub borders, trees and fenced/hedged boundaries. At strategic points there is external lighting, a power point and oil tank.
