 448 m² 

 € 2.650.000

This building overlooks the square where the ancient walled door that leads into the centre of Mahon is located. It covers over 1,000m² and is in need of renovation. The property features over 11 rooms and takes up over three quarters of the block. It would be perfect for converting into a city hotel with business premises on the ground floor. There is also a large roof terrace that has a lot of potential.
