About the property

A spacious and modern one bedroom apartment, benefiting from a larger than usual bedroom and reception area, as well as access to a shared garden area, moments from Hove seafront.

As you enter, the hallway allows access to the majority of rooms. To the front is the bedroom, which is of a good size with space for plenty of additional storage and large bed.

To the rear is the reception, which has space for dining and door leading to the garden area, which is shared with the apartment above. Kept in good order, this West facing space is a sun trap for the summer months. The kitchen is modern in style and has a number of appliances and the bathroom is at the back of the property with bath and shower attachments.

Waterloo street is within a short walk to the seafront, but also plenty of amenities that Western Road has to offer. Brighton town centre is a stroll along the front with coffee shops and a bit further on you will reach Soho House.
