## About the property

Guide Price £750,000 - £800,000

Just moments from Hove seafront, this distinctive four-bedroom townhouse offers a rare combination of space, character, and thoughtful design. Set back from the bustle yet close to both central Brighton and Hove, the house is beautifully presented, with a layout that maximizes natural light and creates a seamless flow between indoor and outdoor spaces.

The kitchen is designed for both practicality and socializing, featuring a breakfast bar, ample surface space, and a large range cooker. A separate utility area and WC ensure everything has its place. A courtyard atrium acts as a light well drawing in daylight and providing an additional outdoor space alongside the generous roof terrace at the rear.

The main living area is open and adaptable, offering a welcoming space for everyday life and entertaining. On the lower level, a spacious bedroom with a dressing area and ensuite opens directly onto a private courtyard, creating a quiet, self-contained retreat.

Upstairs, three further bedrooms and a well-appointed family bathroom are arranged over two floors. The top-floor bedroom benefits from sea views, a reminder of the home's prime position near the coast. The rear roof terrace provides a secluded outdoor space, ideal for relaxing or entertaining.

This is a home that balances privacy with connection—close enough to enjoy everything Brighton and Hove have to offer, yet tucked away in a peaceful setting just steps from the shoreline.
