Location

Seadell Holiday Park on Beach Road offers a relaxed chalet setting with spacious green areas around each unit, private parking and easy access to everyday conveniences. The park includes a handy on-site shop for essentials and sits close to Hemsby's local facilities, including a nearby indoor swimming pool that can be used for a fee. The beach is only a short walk away, which makes the location popular for families and visitors who want simple seaside access. Chalets are self-catering with standard kitchen setups, and the park is generally available for holidays across the full year, although some nearby facilities operate seasonally, so it is worth checking what is open during quieter months. The surrounding area also provides amusement arcades, cafes and takeaways within walking distance, along with wider leisure and shopping options available in Great Yarmouth, a short drive away.

Seadell Holiday Park, Hemsby

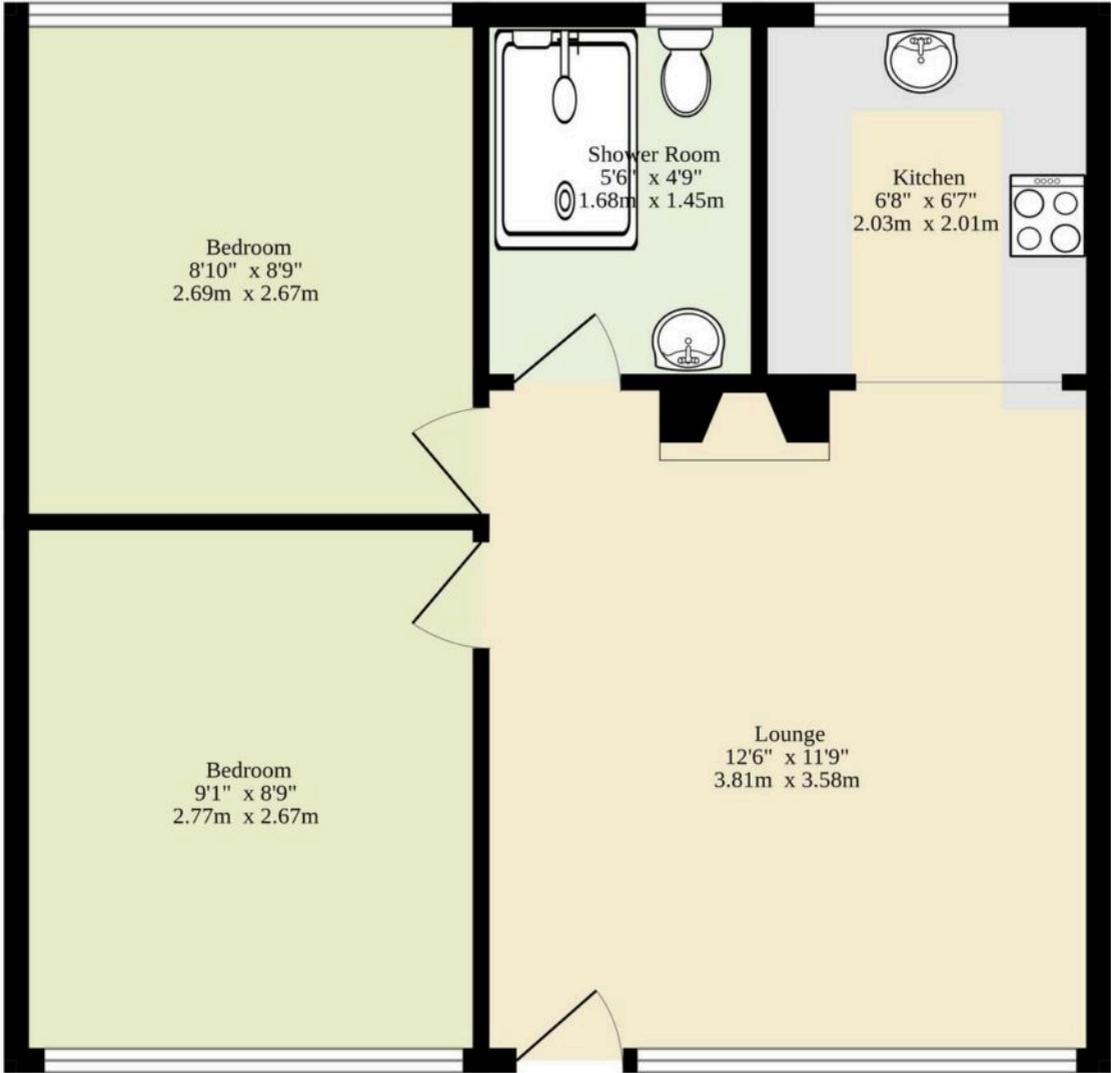

Stepping inside, the lounge offers a warm welcome with soft neutral tones, fitted carpet and a feature fireplace that adds a cosy focal point for quieter evenings. A wide front window brings plenty of daylight into the space, giving the room a relaxed and open atmosphere, enhanced by the benefit of double glazing.

Beyond the lounge, the fitted kitchen sits in its own defined space with clean white cabinetry, modern worktops, an integrated electric oven and hob, extractor above, stainless steel sink and plumbing already in place for additional appliances. Insulated walls and ceiling support year-round comfort, and a window above the sink lifts the whole area with natural light.

The chalet provides two comfortable bedrooms, each finished in the same fresh décor, allowing them to function well as doubles or generous singles. Large windows in both rooms give a pleasant outlook over the communal green spaces and keep the interior bright throughout the day.
