In Detail

A characterful five bedroom double-fronted semi-detached house well placed for multiple transport links and parkland.

The property has been substantially upgraded throughout by the current owners who have been sympathetic to the period details, offering a warm, inviting, and an ideal long-term family home. The accommodation is arranged over two levels and totals 2,421sq ft / 224.9sq m, with excellent proportions and has been re-modelled at the rear to create a spacious family room / entertaining space just off the kitchen. The front reception extends to 18.9ft and features stripped wood flooring, a striking fireplace, beautiful coving, and a sunny bay window. The second reception is almost as large as the first, and the third is currently used as a play room, providing a flexible arrangement; whilst the kitchen has been modernised to make the most of the ceiling height with lots of storage and work space, also quartz countertops - a perfect space for both serious and occasional cooks.

Upstairs there are four double bedrooms and a study, as well as a tastefully finished bathroom with a roll-top bath and a custom double sink, also a separate shower room with a walk-in shower. The attic is very generously proportioned and, whilst excellent for ample storage, could be extended (STP) to create further bedrooms or a master suite if desired. Externally there is a low maintenance rear garden with side access, surrounded by greenery and benefitting from a sunny southerly aspect. Also, off street parking at the front. Further benefits include replacement double glazed sash windows, an improved heating system and replacement radiators, replacement roof in 2016, and a substantial basement.

Maple Road is conveniently situated for Anerley, Birkbeck, and Penge East rail links, as well as Crystal Palace Park, and an array of amenities nearby on the High Street. Prominent nearby schools include Stewart Fleming, James Dixon, St John's, Churchfields, and Harris Academy.
