In Detail

A spacious and characterful two bedroom, two bathroom hall floor period conversion positioned on a sought after road and backing onto Crystal Palace Park.

This unique property forms part of a very attractive detached Victorian building and benefits from a private front entrance. The main living area is an open plan arrangement to the kitchen which has granite countertops and a sit-up breakfast bar, also a sizeable utility room. The space is light and bright due to a double aspect and boasts high ceilings, solid wood flooring, and period features such as ornate coving - an impressive space for both entertaining and relaxing. Both bedrooms are of a double proportion, the larger at the rear of the building with an en suite shower room and large windows which frame the outside greenery. Other points to note include a storage room at the entrance (ideal for bikes), no onward chain, and residents off street parking.

This location provides ease of access to Crystal Palace, Sydenham, Sydenham Hill, Penge West and Penge East rail links to central London, as well as nearby leisure and shopping amenities at the Crystal Palace Triangle, and 200 acres of parkland on the doorstep.
