In Detail

A contemporary two double bedroom second floor apartment forming a small gated mews development nearby central Crystal Palace.

This architecturally striking property was completed approximately ten years ago and exudes a Scandinavian style and a much more characterful finish than is usually found with a modern build. The spacious accommodation boasts a 23ft reception room and a modern open-plan kitchen with granite surfaces and Bosch integrated appliances. Darker solid wood flooring works well against fresh neutral décor and large windows allow for plenty of natural light. Both bedrooms feature fitted storage, whilst the larger also has an en suite shower room. The main bathroom has clean white sanitary ware and a heated towel rail. Externally there is a covered terrace for year-round enjoyment, secure allocated parking, additional visitors parking, and bike storage at the front of the building. Further benefits include central heating.

Woodview Mews is set back from Church Road which is moments from the vibrant and bustling Triangle with a wealth of independent shopping and leisure options. This location is also primarily served by both Gipsy Hill and Crystal Palace rail links to East and central London.
