In Detail

A very characterful three bedroom Victorian end of terrace house brimming with period features and available for sale with no onward chain.

This deceptively spacious property is arranged over three levels and offers flexible accommodation to suit. Stripped wood flooring and feature fireplaces are prevalent throughout, as are timber-framed sash windows and fresh neutral décor. The entrance level provides a light and bright through reception room which can be closed off if desired via elegant double doors, whilst an additional shower room to the main bathroom will suit busy households. The lower level offers an ideal entertaining space with a further reception room and a light and bright conservatory / dining room off the kitchen. The bedrooms are all of double proportion and there are pleasant elevated views at the rear of the house.

The rear garden is a neatly maintained secluded retreat and affords a quiet and tranquil setting for relaxing with friends and family on sunny summer days.

Gipsy Hill is a highly regarded location moments from the bustling Crystal Palace Triangle and enjoys ease of access to both Gipsy Hill and Crystal Palace rail links. A popular spot for those who prefer to be close to a wealth of shopping and leisure options including a variety of stylish bars and restaurants, and the art-deco inspired Everyman cinema. If schools are important then both Paxton and Kingswood primaries are within close proximity.

A rare market offering that should be viewed to be appreciated.
