## Overall Description

This is a modern ground floor apartment in the popular McCarthy & Stone development a short walk from the heart of the picturesque and historic town of Ware. The apartment is just along the corridor from the main entrance, shared lounge and laundry room, so it is conveniently located should you wish to meet a friend for coffee in the lounge or take part in any of the communal activities at Ermine Court. The apartment comprises an entrance hall with storage/airing cupboard, sitting/dining room, modern fitted kitchen, large double bedroom with double fitted wardrobes and contemporary shower room. The sitting/dining room has direct access out to a private garden area with flowerbeds and patio, the perfect place to sit outside on a sunny day, which is the big benefit of this apartment over so many others in the building. There is under-floor heating with a thermostat in each room, double-glazed windows and an emergency call system with lanyard. There is a pretty communal garden next to the large car-park with residents permits available to purchase from the house manager and additional visitor spaces. The apartments have a House Manager whose hours are Monday to Friday 8am to 2pm. The property is being sold with no chain and viewing is highly recommended, so please call to arrange an appointment at your convenience.

The property is in a central location at the historic heart of the popular Hertfordshire town of Ware, just a couple of minutes' walk from the high street and less than ten minutes' walk from the station.
