

Harvey Road, Ashford

A substantial and extended semi-detached family home with large garage and garden in need of some internal modernisation. No chain.

£350,000

01992 87 85 80

Overall Description

This semi-detached house has been in the same family for many years and has been extended on a number of occasions during that time to create what is now a substantial and spacious family home. The property has three bedrooms and a bathroom on the first floor and the loft has been converted into a useful loft room with pull down ladder. Downstairs there is an entrance hall, downstairs cloakroom, sitting room, dining room extended into the garden, conservatory and kitchen. Outside there is a driveway with ample off-street parking leading to the garage which has been extended to fit two cars. There is a gate leading to a private back garden. The house has gas central-heating and double-glazed windows but would benefit from internal modernisation so gives buyers the opportunity to create a lovely large and spacious family home to their own tastes without going through the cost and upheaval of putting in an extension as that has already been done. The property is being sold with no onward chain.

Location

The property sits in a pleasant residential location at the end of a cul-de-sac, so with hardly any passing traffic, in the village of Willesborough which is now a suburb of Ashford. Ashford has excellent transport links: by road via the M20; by rail from Ashford International Station with fast trains to London or the Continent; by bus from the bus stops a short walk away on Hythe Road. Ashford has an excellent range of High Street shops and supermarkets as well as extensive sporting and other facilities such as the Gordon Close Play Area and the Hospital. There are good local schools in the area including the Willesborough Infant and Junior Schools and the Norton Knatchbull School. Just to the north of town are the Kent Downs, a designated Area of Outstanding Natural Beauty.

Accommodation

From the driveway the part-glazed front door leads into the:

Entrance Hall 15'8 x 6'8 (4.78m x 2.03m)
