### Overall Description

This is a large and immaculately presented detached house that has been extended and completely remodelled by its current owners. Improvements include the conversion of the double-garage into a second spacious living room, opening up the separate kitchen, sitting room and dining rooms to create one large and light open-plan space with tri-fold doors to the garden, re-modelling the first floor to make much better use of the space and converting the loft to create a luxury master bedroom suite with walk-in wardrobe and contemporary en-suite bathroom. Other modernisation includes all new double-glazed windows and doors, under-floor heating throughout the ground floor, a brand new timber staircase with a glass balustrade and quality timber/glass internal doors throughout. The end-result is a stylish, modern and substantial family home (3,000 sq ft) in all that has a real feeling of light and space throughout. Outside, the large driveway has been brick-paved and the west facing garden has been designed as an ideal low-maintenance entertainment space with decking area next to the tri-fold doors into the open-plan family kitchen and dining room. The property is being sold with no onward chain. Please call if you would like to arrange a viewing.

### Location

Gypsy Lane is a highly sought-after location in the picturesque village of Great Amwell, situated just a mile and a half outside of Ware at the northern end of the Lea Valley in East Hertfordshire. The village has a church (St John the Baptist), excellent school (St John The Baptist CE Primary School), pre-school (Little-uns), well regarded pub/restaurant (George IV) and Parish Hall which hosts the Amwell Society. The house is in the catchment for the village Primary school and Presdales in Ware and there are other excellent schools locally including Haileybury in Hertford Heath. The village is perfect for keen walkers and cyclists with the Amwell Nature Reserve just a short walk away, a designated Site of Special Scientific Interest (SSSI) and a wetland site of international importance. There are excellent travel links close-by with train stations at Ware, St Margarets and Broxbourne, each with regular services to London. The A10 is just a few minutes drive away and leads to the M25 in around 20 minutes.
