Overall Description

GUIDE PRICE: £415,000-£425,000. This nicely presented townhouse sits in a pleasant quiet cul-de-sac location close to local shops, schools and other amenities yet also a short walk from green family-friendly open spaces. The property is set over three floors with the three principal bedrooms, master with en-suite, and family bathroom on the top floor. On the first floor is the sitting room with sunny balcony as well as the modern kitchen/dining room. On the ground floor is the entrance hall, downstairs cloakroom, home office (which could also be used as a fourth bedroom) and a utility room. The owners have recently had valuable planning permission granted for a 4.6 metre single-storey rear extension and there is also potential to convert the garage into further living accommodation as others have done in the area. There is an attractively landscaped and low-maintenance garden to the rear and the front garden has a private driveway with scope to add a further parking space if so desired. The vendor is suited as they are buying a property with no upward chain, so early viewing is advisable.
