Overall Description

This is a 1950's end-of-terraced house in a pleasant residential location. The property is in need of complete internal modernisation but does offer buyers plenty of scope to create a modern family home to meet their own style and tastes. The house has two double bedrooms and a bathroom upstairs while on the ground floor is an entrance hall, dual aspect sitting/dining room, kitchen and lean-to greenhouse as a rear porch. Other properties in the area have sub-divided the master bedroom to make the house a three bedroom property which is an option should you so wish. The property has double-glazed windows and gas central-heating. Outside there is a good-sized front garden area which may have potential to convert into off-street parking, as others have in the area, subject to consent. There is a path and gate to the side with pedestrian access to the good-sized back garden as well as a shared right-of-way up the driveway to the garage. The property is being sold with no chain. There is an Open House from 11am to 12 noon on Saturday 8th November, so please call to book a viewing.
