If ever there was an argument for never "judging a book by its cover" perhaps this **MODERN DETACHED BUNGALOW** could be put forward as an example. Cleverly designed to fit the proverbial "quart into pint pot" this bungalow not only boasts 3 Bedrooms but an en-suite shower and separate Sitting and Dining areas. Located in this semi-rural position amidst a mixed development of houses and bungalows, the property has the benefit of **Gas Fired Central Heating and uPVC framed Double Glazing**. A surprising property well worth internal inspection to appreciate the size and layout. Contact **May's** for an appointment to view - after all you can't tell from the outside !
