When considering retirement homes what do you look for? Do you seek security? Do you look for companionship? Do you want shopping facilities to hand? Or do you simply want the comfort of knowing there is always someone on call? Since they were built these flats have gained a reputation for all of these benefits. This **PURPOSE BUILT, FIRST FLOOR APARTMENT** is accessed from within the centre of the development, further enhancing the security aspect. With the benefit of **Gas Fired Central Heating, uPVC framed double glazing**, and a roughly **south facing Living Room** the residents know that help is only a call away, with alarm cords in the main rooms. If the sound of this appeals, why telephone **May's** for an appointment to view - take a look inside to appreciate the space.

Directions: From May's village centre office the development will be seen almost opposite. The entrance to the property will be found within the centre of the flats, through the archway.
