This particular section of the south coast is an area renowned for the many and varied benefits. Situated on the flat coastal plain, with thriving village's centres, ready transport facilities and the comprehensive amenities of towns such as Chichester, Brighton, Portsmouth and of course Bognor Regis, all within reaching distance. Situated within this private marine estate, and just over **100 yards from the beach** is this **INDIVIDUAL DETACHED HOUSE**. Offering deceptively spacious accommodation with a **south facing** rear garden, this property affords the buyer a number of advantages such as proximity to the beach, availability of public transport facilities, local shops at Elmer Stores and Health Centres at Shrubbs Field and Flansham Park amongst many others. A gas fired central heating system with replacement boiler is supplemented by uPVC framed double glazing, whilst the addition of a smart thermostat adds to the energy efficiency, important in the day of rising fuel costs. A versatile property, with opportunities to mold to your own requirements, and one which would suit a multitude of buyers. If these details sound of interest to you why not contact **May's** for an appointment to view - you certainly won't be able to tell from the outside!!
