“The villagers of Felpham are not meer Rustics, they are polite and modest. The sweet air and the voices of the winds trees and birds and the odours of the happy ground make it a dwelling for immortals.” Thus said William Blake (1757-1827) and if it’s good enough for him.....!! Somewhat later in the 1980’s, renowned local builders, Seawards, obviously recognised similar attractions and built a village centre development along the lines of a traditional street scene - of which this **MEWS STYLE COTTAGE** forms part. Offered for sale with the benefits of **gas fired central heating by radiators, uPVC framed double glazing** and the added functionality of a ground floor Cloakroom, this property is certainly fit for someone aspiring to become a ‘not meer Rustic’ ! Internal inspection is recommended to fully appreciate the size and layout and presentation of the accommodation. So telephone **May’s** to make an appointment - you may well be impressed.
