Have you ever dreamt of owning your own seafront property but have been put off by the high prices generally achieved? Well this could possibly be the chance you have been waiting for, however, you just might need your 'rose tinted spectacles' and have a degree of vision as the property - a **PURPOSE BUILT GROUND FLOOR SEAFRONT APARTMENT** needs quite a bit of 'TLC!' Offered for sale with the balance of a **999 year lease**, the apartment has been tenanted for a number of years and shows the wear and tear of that occupancy, but it does provide an opportunity to purchase at a discounted level and to create the home of your dreams from the bare bones of this 'skeleton' of a property. If you have the foresight and desire to create something quite special in this **spacious 2 bedroom apartment** why not telephone **May's** for an appointment to view - you may just be looking at your future home.
