Peace of mind in retirement. This is the stated aim of many as the years advance, and for those the relatively recent introduction of specialist retirement developments has been the answer to many of their prayers. Independence with a degree of “hands off” supervision, provides the opportunity to retain ones individuality within the framework of a retirement scheme. One such scheme located in the village of **Middleton~on~Sea** has become popular locally and this **GROUND FLOOR 2 BEDROOM FLAT** forms part of that development. The property offers surprisingly spacious accommodation with the benefit of uPVC framed Double Glazing, plus a remodelled Kitchen and shower room. A resident manager on the development, plus launderette and guest facilities, all combine to make this well worth considering if you are looking for a little slice of “peace of mind”. Telephone **May’s** for an appointment to view.
